September meeting minutes were read by Gary.

Motion to accept made by Gary, Seconded Chris, Accepted by all.

Treasures report was read by Gary (See Below)

Motion to accept made by Gary, Seconded by Ali Accepted by all.

## Old Business

- Contact GFL to get garbage bin dumped. : Done! (Contact Allison Smith for invoice)
- Speed Show Scheduled for September 29th. : Cancelled due to weather
- Full Show on September 22nd (Melanie will be show manager). : Great Show overall minus the Stallion of all age class drama.
- Juniors have until November to get in all their meetings, Adults have until October. : This makes things too difficult. EVERYONE has until November to get meetings
- New Jump standards for juniors (needed for jumping shows) 90\$ per set could look into ordering new fillers. : This was Paige B. contact so not available now.
- Plumbing will be fixed in the fall (won't have to winterize as much that way)
- Winter schooling series at wetra or other facilities in the area if there is interest: Beth and Gary will be meeting with Wetra next week
- Get quote and drainage plan from Dillon : more info in New business
- Set up classics day at pony club to help bring in interest: We will discuss options at later meetings.

## New Business:

- The October 6th show might not be possible due to all the rain. If we are unable to run it, the number of shows to qualify for gaming events (Down&Back, Texas Speed & Action, Barrel Bending, Flag, Stakes Race and Keyhole) will drop down from 3 shows to 2 for the 2024 season. If the show does run we will need to run a speed show to make events an even number.
- Question was brought up asking if Junior shows and SOTC full shows qualify for the same awards. The answer is yes there is no longer a separate junior point system; we are one club; all points earned by juniors at SOTC full shows ,speed shows or junior shows all qualify for the same year end awards.

- Wetra will be looking to sell jumps (Poles, Standards and Fillers) very nice quality from strides for stability events. If we want to host more jumping shows (the last one was a success!) we will need more poles of the same length and standards for warm up or longer courses .
- Wetra is selling pony up raffle tickets and asks that we help sell them in exchange for the use of the facility for a junior show. Ashlyn, Carolyn, Lisa, Gary, Janet, Pam & Madison took a booklet.
- Dillon gave us a quote for drainage. 10,000 - 12,00 total. Includes new stone for driveway to fix low spots (driveway out to even with classics pen, driveway up to even with pavilion, driveway up to garage and handicap parking area) screenings for handicap parking area, big O run up to ditch and attach swale near trailer parking area to help neighbour with that area holding water, fill hole at back of property to fix other area that holds water.

Motion to approve the quote and get started made by Gary, Seconded by Ali Accepted by all

- Ali will be out at the ground the weekend they are working on drainage for fall clean up everyone welcome to come out and help! ( October 20th, 26th, 27th weather permitting will post on Facebook)
- Bingos up until the end of November are covered thank you everyone who volunteered!

### Adjournment

Motion to adjourn meeting made by Gary and Lisa Accepted by all. Meeting ended at 8:14

### Next Meeting

Next Meeting Tuesday November 5th 7pm at St. Mary's Hall
